

MELT A BEAUTIFUL SCENT TO FILL YOUR ROOM....

Place 6-8 wax pearls or 3cm x 3cm piece of wax brittle into the well of your wax burner, light the tealight and allow the diffusion of scents to fill the room. Wax can be reused until scent fades, once this happens remove the melted wax with a cotton ball and replace with new wax.

Keep out of reach from children and pets at all times.

Do not add water or any other liquids to your wax pearls or wax brittle.
